The Frisco Chamber of Commerce has partnered with Staples Business Advantage to bring you a best-in-class business supply group purchasing program that delivers immediate savings for your business.

Our partnership with Staples Business Advantage, the world's largest office products company, is designed to give you exclusive pricing on all of your business supply needs.

By taking advantage of this program, you can easily offset your annual chamber dues and save between 15-30% on business supplies you are currently purchasing!

\* This cost saving benefit was awarded to Staples Business Advantage based on a Request for Proposal (RFP) for a Chamber business supply group purchasing program. Existing Staples Advantage customers must also enroll in order to receive the Chamber pricing. Depending on your purchasing, your actual savings may vary.
