

# Stuebner Airline Veterinary Hospital

16119 Stuebner Airline Rd. Spring, Tx. 77379  
281-376-2505

J.W. Whitmore DVM.  
Laura B. Pratt DVM.  
Barry E. Schmitt, DVM.  
P. Max Heimlich DVM

We are in just North of Houston in the Spring area and were recently devastated by Hurricane Harvey. Our hospital has been in the Spring area since 1970. Originally founded by Jack Whitmore, we truly pride ourselves on the level of care and compassion that we offer our patients and clients when serving their pets. Our patient count topped 18000 for the four doctors prior to the flooding even in August of 2017. Many clients have been with the practice for over 40 years, and continue to drive to our clinic after moving to other communities because they feel we truly care about their pets.

Aside from medicine, serving our community is part of our mission statement. We donated a large portion of our property to the county to serve as the first dog park on our area. Serving the special needs community, we encourage volunteers from groups who aim to provide meaningful work to our friends in a safe environment. Many of the agriculturally and medically focused students from the local high schools can volunteer with us weekly to gain valuable experience towards their future careers. Rescue groups such as Abandoned Animal Rescue, Poodle Rescue of Houston, Golden Beginnings, and Basset Buddies bring their pets to us so that we can provide quality care at reasonable prices. And, most proudly, we created a 501c3 group to help our clients that have fallen on hard times afford the care that their pets need without concerns of finances. You can also donate to us in that same 501c3 as a tax write off if you put for flood relief in the bottom notes.

[Veterinary Care Foundation for a 501 \( c \)3](#)

- <http://veterinarycarefoundation.org/>
- choose: Donate
- choose : donate to vet or practice
- choose : Stuebner Airline Veterinary Hospital
- fill in all your information
- then on #4 please put for flood relief and we can use it to help rebuild the practice

We have now fallen on those hard times and struggle to ask for what we have always been eager to provide. Our hospital took on 4.5 feet of floodwater during the storm and lost everything. At that time, we were also boarding 40 dogs and 17 cats whom we had to boat out of the second floor of the boarding facility. Our dedicated employees waded through the rising water on Saturday and Sunday to care for each of those pets, and eventually helped the coast guard and our local "Bubbas with Boats" get each and every one of those pets to safety.

Perhaps the hardest moment for the Stuebner Airline Veterinary Hospital family was to walk through this fantastic hospital that we poured our blood, sweat, and tears into and to see it reduced to a slime encrusted shell with swollen books and medical supplies tossed throughout the building like the trash that it now was. We have 70 employees and our priority is to them and to make sure that their families are provided for.

We will rebuild, but we are asking for help.

A very dear group of clients is putting together a dinner and silent auction for November 11h to support our clinic and the rebuilding efforts. The location is Klein Multipurpose Building 7500 FM 2920, Klein,Tx. 77379

We are asking for donations of items to be included in this auction. All types of items will be included such as celebrity-signed merchandise, artwork, crafts, sports tickets, and certificates to local businesses.

We truly understand that we are not alone in our efforts, and many individuals are needing help, but we thank you for taking the time to read, and we wish you well. Please visit our website [SpringTXvet.net](http://SpringTXvet.net) or our face book page [@StuebnerAirlineVet](https://www.facebook.com/StuebnerAirlineVet) to learn more about our clinic.

Sincerely,

The Doctors and Staff of Stuebner Airline Veterinary Hospital
